ClinicalTrialsArena.com

Tuesday 30 June - Wednesday 1 July 2009

3 Conferences in one

Choose the one that fits your business needs: Clinical Trial Supply, Outsourcing Clinical Trials and e-Clinical Trials.

Three streams, one platform

An unparalleled opportunity to discover techniques to speed time to market and streamline your clinical trial processes.

Speakers include:

- Jane Clarke, Assistant Vice President Edc System Owner-Global Development Support, WYETH RESEARCH
- Christoph Schnorr, Senior Vice President, Global Clinical Operations, MERCK SERONO
- David K. Rosen, D.V.M., Executive Director, Head of Out Licensing, World Wide Business Development, PFIZER
- Miguel Valenzuela, Global Group Leader, Pharma Development, F. HOFFMANN LA ROCHE
- Hermann Huss, Head Global Clinpharm and NIS Data Management, BAYER VITAL GMBH

The ClinicalTrialsArena.com:

- measurable, transparent lead generation - more R on less I!
- proactively identify and connect with qualified decision makers in real-time
- extend your brand internationally
- cutting-edge, dynamic networking solutions that overcome budget constraints and avoid carbon emissions
